

ONLY FOR USE OF DELEGATES OF WFI

- On the www.airindia.in home page please insert the code as per the sector of travel in the Promotion Code Box.
- The system will display the fare on the next page and you can go ahead and make the booking.
- For domestic travel the discount does not apply to the advance purchase fares, It applies to only Instant purchase fares. So if the advance purchase fare is less than the discounted fare, the lower fare will display online
- The promotion discount is valid for travel commencing on/after 28OCT17 and on/before 20NOV17 and is as follows:
 - ✓ **10% discount on the Basic fare** on Instant Purchase fares for all Air India operated sectors for Domestic sectors and International sectors from the Gulf(except Saudi) The discount code is **10WFI17**
 - ✓ **20% discount on Basic fare** for all other Air India operated International sectors (except Gulf). The code is **20WFI17**.
- For rebooking, system cannot reprice the discount, and it will take the regular web fare. So in case of change in flights, we suggest a fresh booking is made for the new required dates.
- For refunds please liase ecommerce@airindia.in, you may mention **WFI refund** in the subject
- Please see illustration below for your reference. www.airindia.in home page.

The image shows two side-by-side screenshots of the Air India booking interface. The right-hand screenshot has a red box around the 'Promotion Code' field, which contains the text 'GCS1APX'. An arrow points from this box to a separate box labeled 'PROMOTION CODE'.
